SELECTED REGULATIONS
(October 2015)

The following selected regulations are in no way intended to be complete, therefore, any questions regarding anything not specifically covered here must be approved by the cemetery office.

General

1. New regulations shall be adopted from time to time as the management deems necessary. Such regulations shall apply to all rights of burial whether purchased prior or subsequent to their adoption.
2. Unleashed pets will not be permitted at any time.
3. Conveyance of burial rights may be made only on forms prescribed by this cemetery.
4. All work on grave repair, removals and memorials will be completed in such manner as necessary for the orderly operation of the cemetery.

Decorations

5. The cemetery management reserves the right to landscape each section according to a carefully prepared landscape plan. Planting of live flowers directly above the headstone is permitted. The maximum planting area is 24 inches by 10 inches. Please check with office personnel regarding where it may be installed.
6. Grave decorations are limited to two fresh cut flowers bouquets in an approved flower cone placed directly in back of the grave marker. No artificial decorations are allowed. If placed, they will be removed and disposed of.
