**MEMORIALS**

1. Grave markers to be placed in this cemetery must be made of granite and will be set flush with the Earth's surface. Markers must be flat on top and bottom with sawed sides and top edges pencil round at a minimum of ¼ inch.
2. Monuments will be permitted only on lots designated as a monument site.
3. All carvings, inscriptions, epitaphs, etc., for markers and monuments must be approved by the cemetery.
4. There is a setting and maintenance fee charged on all memorials and a foundation fee for all upright monuments.
5. Attached photographs are not permitted on any memorial.
6. Memorials and monuments may be purchased at the cemetery office.

**SELECTED  
REGULATIONS**

The selected regulations listed above are in no way intended to be complete. Therefore, any questions regarding anything not specifically covered herein must be approved by the cemetery office. New regulations may be adopted as management deems necessary and shall apply to all rights of burial whether purchased prior or subsequent to their adoption.

Unleashed pets are not permitted at any time.

Transfer of burial rights must be handled at the cemetery office.

All work on grave repair, removals, and memorials will be completed in a fashion as to allow for the orderly operation of the cemetery.
