### We offer a prime location

Minutes away from both M-59 and I-75, All Saints is conveniently located in an area that is easy to visit. In fact our grounds are located in both Waterford and Clarkston.

### Immaculate grounds and outstanding service

Our beauty is what sets us apart, with a helpful, knowledgeable and courteous staff ready to assist families as needed. At All Saints we offer a full range of burial and preplanning options, including outdoor crypts and niches adjacent to Maceday Lake. Throughout the year All Saints celebrates the memory of our loved ones through a number of community events, ranging from Memorial Day, Veterans Day and All Saints Day services, to our popular Deck the Trees holiday event.

Experience both serenity and peace of mind where the beauty of nature and memories are held eternal.

*How can we help you pre-plan?*  
Contact a counselor at All Saints Cemetery to discuss all of the preplanning options available.

We also welcome you to visit us at The Preserve seven days a week and see for yourself the difference a “green,” natural burial site can make in memorializing you or your loved ones. The Preserve is adjacent to All Saints and personalized tours of either property are available.
