

The Cord

*We are connected, my child and I, by
An Invisible cord not seen by the eye*

*It's not like the cord that connects us 'til birth
This cord can't be seen by any on earth*

*This cord does its' work right from the start
It binds us together attached to my heart*

*I know that it's there though no one can see
The invisible cord from my child to me*

*The strength of this cord is hard to describe
It can't be destroyed it can't be denied*

*It's stronger than any cord man could create
It withstands the test, can hold any weight*

*And though you are gone, though you're not here with me
The cord is still there but no one can see*

*It pulls at my heart, I am bruised...I am sore,
But this cord is my lifeline as never before*

*I am thankful that God connects us this way
A mother and child death can't take it away!*

Honoring the memory of your child

For nearly two centuries the Mt. Elliott Cemetery Association has helped families who have lost loved ones. We know that the loss of a child is one of the most painful tragedies a family can encounter. That is why Guardian Angel Cemetery created the Garden of Angels, a special section dedicated specifically for children.

At the center of the section is a bronze sculpture depicting an angel cradling an infant as cherubs look on. This artwork was commissioned specifically for the cemetery to provide visiting families with a focal point for reflection.

Guardian Angel also hosts events throughout the year to honor the memory of your child. From an inspirational Children's Remembrance Service in August to our Season of Remembrance in December, our events have become traditions for the families we serve.

Guardian Angel Cemetery provides no cost burial for infants in the Garden of Angels.

We know that we cannot lessen your pain, but we believe that our Garden of Angels will help you honor your angel in a place that is serene and beautiful.
